Shivaji left in the morning

After decorating the palanquin

After applying ash, no...

Yes.. when Shiv Baba makes preparations

Many are equal..

Trishul is placed on the right side

Ghosts and devils dance..

Brahma walks, Vishnu walks

With Vedas and Puranas..

Carrying a conch, discus and mace, bow and arrow, Shri Bhagwan walks...

And Bam Bholu walks all dressed up,

Carrying a ball of Bhaang and Dhatura,

He always says,

He is walking for someone else.
