

KAL HO NAA HO

Har gareeb badal rahee hai roop zindagi
Chhaau hai kabhi kabhi hai doopa zindagi
Har phal yahaa
Jeebhar jiyon
Jo hai samaa
Kal ho naa ho

Chaahe jo tumhe pura dilse
Miltaa hai wo mushkil se..e..e
Aisaa jo koyi kahi hai
Basa wohi sabse hasi hai..ai..ai
Ussa haatha ko, Tum thaam lo
Vo meherbaa, kal ho naa ho
Har phal yahaa...

Ho...phal ko kele ke saare
Paasa koyi jo aaye
Laakha samhaalo, Paagal dilko
Dil darke hi jaaye
Par socha lo, iss phal hai jo
Vo daasa thaa, kal ho naa ho
Har gareeb badal...

Tum ho hamko chhupaaye
Mai hoo sarko jhukhaaye
Tum bhi chupa ho, Mai bhi chupa ho
Kauna kise samjhaaye..e..e
Ab dooriyaa, itni hai toe
Milna yahaa, kal ho naa ho...

Ho...sach hai ke dil toe dukhaa hai
Hamne magar so chaahe
Dilko hai gam kyu, aakha hai nam kyu
Hona hi thaa jo huaa hai
Uss baat ko, jaane hai do
Jiskaa nishaa, kal ho naa ho
Har phal yahaa...

KAL HO NAA HO

Life is changing every moment

Life is now a shade
Life is now a sunshine
Every moment on earth, live life to its fullest
Tomorrow might never come...

Someone to love you with all his heart
Is difficult to come by
Should there be someone like that
He is the one for you, be sure
His hand you must take
For all you know tomorrow might never be
Every moment on earth live life to the fullest
Whatever time you have is yours
For tomorrow might never come...

In the realm of your eyes
Should someone get close to you
Try a million times to control your crazy heart
But it shall continue to beat wildly
But think it over, this is the moment
This legend might not exist tomorrow...

You are hiding your grief
And I am silent
And I bow my head
You are quiet and I am silent
Who shall anyone reason with

It is true that I have hurt your heart
But I always wondered
Why does the heart grieve?
Why do the eyes become moist
That which was to happen is happening
Let us forget about it
For no trace of this might remain tomorrow
Every moment here, live to the fullest
