

## **Jai Jai Govinda Hare Jai Jai Gopaala Hare**

He is dancing in the mountains, He is dancing in the plains  
He is dancing in the sunshine, He is dancing in the rains

He is dancing in the desert, He is dancing in the sea  
He is dancing in the river, He is dancing in the stream

He is dancing in our thoughts, He is dancing in our soul  
He is dancing everywhere, He's the light of the world

He is dancing as our sadness, He is dancing as our pain  
He is dancing as existence, He's our way to be saved
