Translation: SHAAM MOHAN,,, RAGHUVAR RAAMA

Age after age have gone by,
And I still search for you
Have mercy on me My Lord and grant me your Darshan
I have become impatient Oh Lord, for you

***Oh Shaam, Oh Beautiful One, The one who plays the flute
I have no one oh my Lord, except You***

My mind has become restless, my body is soiled
Have mercy on my My Lord, Save Me,
I am drowning without you

***Oh Raghuvar, Oh Raama, Oh You who protects Your Devotees
I have no one oh my Lord, except You***

I am nothing at all, in this world,
My only identity is being your beloved
Oh well wishing, merciful one, accept me as yours...

***Tune of "Main Tulsie Tere Aagan Ki"
By Rakhee A Ramdeen***
