

Guru Govind do Khade

**Guru Govind do Khade
Khaake Laago Paai
Balihaari Guru Aapni
Jin Govind Diyo Battha**

*Both Guru and Govind (God) are present
Who shall I bow down to?
I will choose to bow down to my Guru
Who helped me realize God*

**Maat Pita Tum Mere
Mere Prabhu Mere Guru
Jo Hai Aur Jo Hai Nahin
Sab Kuch Tum Ho Sadhguru**

*You are my father and mother
My Lord, my Guru
What is and what isn't
Everything is you, Sadhguru*

**Maa Ne Diya Janam
Pita Ne Diya Hai Naam
Andekhi Ek Disha
Bulaati Subaho Shyaam**

*Mother gave me birth
Father gave me a name
An unexplored direction
Kept calling me all day*

**Har Disha Mein Ab Tum Hi
Kis Disha Do Naman Karun**

Guru Govind do Khade

**Jo Hai Aur Jo Hai Nahin
Sab Kuch Tum Ho Sadhguru**

*In every direction, it is you now
Which direction do I bow down?
Whatever is and whatever isn't
Everything is you, Sadhguru*

**Saanson Ki Ye Dor
Abhi Shuru Abhi Khatam
Ye Dor Pakad Tum Tak Aajaun
Ab Karun Yahi Jatan**

*This thread of breath
No sooner does it begin than it ends
Holding this thread, let me come to you
This is my endeavour*

**Ho Gaya Hai Jiska Ant
Aur Hua Jo Nahin Shuru
Jo Hai Aur Jo Hai Nahin
Sab Kuch Tum Ho Sadhguru**

*What has come to an end
And what has not begun
Whatever is and whatever isn't
Everything is you, Sadhguru*
