KISNE BANAAYE MAHAL TUMHAARE  
OONCHE BARE BARE

KISNE DIYE TUJHE SUNDAR GAHNE  
HEERE LAAL KARE

*Seeing the palace (where his hut used to be) Sudama is (shocked) and surprised. Which king has brought down my hut.*

*On one side there are elephants twiddling around. On the other side, horses are standing.*

*On one side there is a statue of Shiv - probably a decoy planted by Krishna to lead Sudama away from suspecting him of this transformation.*

*Bedecked in jewels and rubies.*
