Shankaracharya, a Siddh (spiritually accomplished person) in Hanuman Sadhanas composed the Divine HanumanmantraChamatkaaraanusthan, which basically contains 20 Mantras.

Out of these twenty, seven main Mantras are being reproduced here for the good of the Sadhaks. 11000 chantings of all these Mantras must be completed from one **Tuesday** to the next and a **Coral rosary** should be used to keep the count. For this Sadhana one must wear **Hanuman Gutikaa** tied in a red cloth around one's neck suspended from a black thread. Daily the seven Mantras should be chanted at least 1000 times for ensuring success in life.
